to the official launch of Perth South's

SMART & CARING COMMUNITIES

As part of the Stratford Perth Community Foundation's three-year plan to create a sustainable funding resource for each municipality of Perth County, Stratford and St. Marys, we will be launching the third of our *Smart & Caring Community Funds* in Perth South.

Donations raised in your community, will stay in your community – now and forever. The *Perth South Smart & Caring Community Fund* will allow us to support your community's critical priorities, key projects and ongoing needs.

ON SEPTEMBER 7th join Mayor Bob Wilhelm, past Perth South Reeve & County Warden Ron McKay, local families, individuals and business leaders in celebrating your community. Hear how this new "Community Fund" will make a lasting impact on local organizations and projects and find out how you can get involved!
